

2016-2017 CMAA-SAC LUNCH & LEARN SERIES

CALL FOR PRESENTATIONS

Educational Advancement During Your Lunch Hour!

Beginning in September, we have scheduled Lunch & Learns each month to provide our members with an opportunity to advance their technical education and earn CEU's to maintain their certifications.

What are we looking for?

The CMAA-SAC seeks to educate its members and **not promote any specific products**. Only presentations that are product-neutral will be considered. Selections will be made based upon desired topics, flow of content, educational value and understanding of the content.

Presentations should last 45 to 50 minutes with time for Q&A.

You should expect to provide lunch for a maximum of 30 people at the Lunch & Learn.
