Construction Management Association of America South Atlantic Chapter (CMAA-SAC) **TOOLS OF THE TRADE SCHOLARSHIP**

About CMAA South Atlantic Chapter (SAC) Scholarships

The Construction Management Association of America South Atlantic Chapter is an organization dedicated to leading the growth and acceptance of professions in the Architecture, Engineering, and Construction (AEC) Industry that can add significant value to the entire design and construction process, from conception to ongoing operation. To promote CMAA's objectives, the South Atlantic Chapter is offering academic scholarships to full-time students pursuing a related degree to architecture, engineering, or construction management. The Construction Management Association of America South Atlantic Chapter, awards these scholarships to qualified students to help them defray the costs of pursuing a degree in one of these disciplines.
